

Proposition number: 12-15/16

Title: Changes in Undergraduate Catalogue to reflect decrease in minimum credit hours for specific degree programs

Proposed Committee: Scholastic Affairs

Assigned Committee:

Prior Approvals: ADAC, ADC

Proposition:

It is proposed to decrease the minimum number of credit hours for those degree programs what could decrease to 120 hours without adversely impacting either the rigor of the degree program or accreditation of those programs. These programs have been identified by the associated faculty and administrators and are listed in the accompanying documentation. The undergraduate catalog and all associated references should be changed to reflect these changes in those degree programs.
