STAR Degree Audit Stats

- 99% of all undergraduate degrees are encoded within STAR in 2014
- 70% of all graduate degrees are encoded within STAR in 2014
- Over 45,000 audits generated in April 2014
- Over 250,000 audits generated in 2013
What is U.Direct?

The U.Direct system will enable NMSU to use existing degree audit data to create term-by-term degree plans (Roadmaps).
U.Direct Objectives

- Increase productivity of advisors by eliminating written paper degree plans
- Encourage student and advisor collaboration
- Improve graduation and retention rates by creating personalized degree plans that help and guide students through their academic careers.
Academic Planning
Providing students with a prescribed path to graduation
