University of New Mexico Campus, Albuquerque, NM

1. Feedback on skills and content

2. Discussion

- Definitions
- Questions from committee members (listed on response doc)

3. State level versus institution implementation (for consideration)

What parameters should we set around the state model that will ensure that the state outcomes are met in a way that allows transferability among institutions yet also allows institutional flexibility. Review pages 7–10 of *New Mexico General Education Summit Breakout Session Qualitative Data Analysis*.

Next steps
