TO: NMSU faculty and staff

FROM: Dee Dee Campbell, Interim Provost and Chief Academic Officer

SUBJECT: Interim dean of graduate school

Dear faculty and staff colleagues,

I am pleased to announce that Dr. Renay Scott, vice president of Student Success, has accepted the additional role of interim dean of the graduate school. As the acting provost prior to my arrival at NMSU, Dr. Scott has extensive knowledge of this role, and under her interim leadership, we'll keep the graduate school moving forward while we begin the search for a permanent dean.

I thank Dr. Scott for taking on this additional leadership role, and I encourage anyone who needs to discuss any matters pertaining to the graduate school to reach out to her directly. More information about the graduate dean search will be made available once that search is underway.

Sincerely,

A handwritten signature in red ink that reads "Dorothy Campbell".

Dorothy "Dee Dee" Campbell
Interim Provost and Chief Academic Officer
